Interactivity

Overall Experience

## Expectations

- 1 Rate your understanding of course expectations and assignments.
- 2 Did the course cover the content you were expecting? Why or why not?
- 3 What topics would you have liked to see addressed that were not covered?

## Structure and Content

- 1 Rate your understanding of the course structure.
- 2 Rate the consistency of the course content with the objectives.
- 3 Rate the relevance of the subject matter or course content.
- 4 Rate your confidence level for completing the knowledge or skill presented.
- 5 Rate the amount of material covered.
- 6 Rate the quality of the examples presented in the e-learning.
- 7 Rate the availability of the instructor via email or online discussion.
- 8 Rate your enjoyment of the course.
- 9 Rate the course workload.
- 10 What are the strengths and weaknesses of this e-learning course?
- 11 What part of the e-learning course did you find most useful and interesting?
- 12 What additional material would you like presented in the course?
- 13 Was the content arranged in a clear and logical way? Why or why not?
- 14 Did the content adequately explain the knowledge, skills, and concepts it presented?

## Quizzing

- 1 Rate the relevance of assignments, quizzes, and tests.
- 2 Rate the quality of the questions asked in the quizzes.
- 3 Rate the variety of the types of quizzes.
- 4 Was the quiz feedback timely and relevant? Why or why not?
- 5 Did the quiz feedback present new knowledge?
- 6 Were the quizzes presented at adequate intervals?
- 7 Did the quizzes cover and test the material presented in the course?
- 8 How could the exams be improved?
- 9 Were the review sections before the quizzes useful?
- 10 Did the practice questions make good learning tools?

## Timing

- 1 How much time did you spend on this e-learning course?
- 2 How many hours did you spend completing activities related to the course?
- 3 Was the amount of time it took to complete this course appropriate? Why or why not?

## Pace and Navigation

- 1 Rate the pace at which the e-learning course advanced.
- 2 Rate the ease of navigation.
- 3 Did the e-learning unfold in a clear direction?
- 4 Did you understand where you had to click to move forward? If not, why not?
- 5 Rate the e-learning access setup or LMS setup.

## Visual Design

- 1 Rate the overall visual design of the course content and materials.
- 2 Rate the legibility of the text and fonts in this course.
- 3 Rate the amount of corporate branding (logos, corporate colors) used.
- 4 Rate the quality of the photography used in the course.
- 5 Rate the use of animations in the course content.

## Multimedia

- 1 Rate the amount of multimedia used in the course.
- 2 Rate the quality of multimedia used in the course.
- 3 Rate the amount of photography used in the course.
- 4 Rate the amount of audio used in the course.
- 5 Rate the quality of audio used in the course.
- 6 Rate the amount of narration used in the course.
- 7 Rate the voice and quality of the narration used in this course.
- 8 Did the narration add value to this e-learning module? Why or why not?

## Interactivity

- 1 Rate the amount of opportunities for interactive learning.
- 2 Was the interactivity suitable for the content? Why or why not?
- 3 If you did some group work, did you enjoy working with your group?
- 4 Did you utilize any links to external websites?
- 5 Did any of the activities help you gain a clearer understanding of the subject?
- 6 Did case studies and scenarios help you gain a clearer understanding of the content?
- 7 Rate your opportunity to interact with other virtual students.
- 8 Rate how isolated you felt from other students.
- 9 Rate how much you missed direct, in-person interaction with other students.

# Overall Experience

- 1 Rate the technical quality of the course materials.
- 2 Rate how confident you feel about your knowledge on the subject.
- 3 Rate the availability of technical support.
- 4 Identify three important concepts or ideas that you learned in this course.
- 5 Identify three ways you will change how you do your job based on what you learned in the training.
- 6 Identify three ways to improve this e-learning course.
- 7 Make two suggestions to improve understanding of the course content.
- 8 Would you prefer to take this course online or in the classroom? Why?
- 9 Based on this experience, would you take another e-learning course? Why or why not?
- 10 Did you encounter any technical problems during the course? If yes, elaborate.
